

# PRINTMAKING DEMONSTRATIONS & TUTORIALS

## At-Home Printmaking Supply List

### Monotype Printmaking with Deltra Powney

- Paper (such as Somerset, BFK Rives, smoother/thicker paper)
- Ink (such as relief or lithography ink, or even etching ink mixed with gel reducer) or can also use paint (such as oil-based paint or open acrylic paint)
- Brayer or roller (could also use other items for rolling out ink such as a plastic rolling pin or pill bottle, or purchase from a local art store)
- Barren or a wooden spoon for transferring image by hand (can purchase from an art store or use a wooden spoon from the kitchen or your hand to print and apply even pressure!)
- Watercolour pencils
- Small sketchbook that has thick/sturdy paper that can handle water
- Paintbrush or watercolour brushes
- Container for water
- Sheet of glass or plexi-glas with covered and protected edges (could be from a picture frame and tape any sharp edges)
- Paper towel or rags
- Newsprint
- Mark making tools of your choice: Q-tips, makeup sponges, popsicle sticks, paint brushes, paint scraper, etc.
- Collection of leaves or plants to print
- Canola/Vegetable Oil
- Glass Cleaner
- Disposable vinyl/latex gloves
- Wax paper
- Container to use for soaking paper in water (such as a tray or baking sheet or container, or bathtub!)
- Towel

\*Please note you can substitute and try other materials and tools as you see fit or have available to you! Part of the joy of at-home printing is being creative with what you have!
